So here's how it works:

## Find Your Location

## Which Colour Shuttle?

- / The Green Shuttle operates continuously between Catseye Beach and the Marina Village every 15 minutes, the Purple Shuttle travels in a clockwise direction around the island and the Orange Shuttle travels in an anti-clockwise direction

## View Timetable

- / Once you have decided the best colour shuttle, look at the timetables on the following pages or on the shuttle stop for the next available time

There's much more to a beach holiday on Hamilton Island than relaxing by the water. The island's recreation crew at the Beach Sports Hut on Catseye Beach organise regular games of beach volleyball, plus you can hire snorkel gear, a catamaran, stand up paddleboard, windsurfer or kayak to get you out on the water.
